

EARN COLLEGE CREDIT

BE A STUDENT LEADER FOR THE MESD OUTDOOR SCHOOL PROGRAM AND EARN TWO PORTLAND COMMUNITY COLLEGE CREDITS FOR ONLY \$25.00.

First, you must complete a week as a student leader at Outdoor School, then fill out the PCC Registration form, write a one page summation paper. Please send the registration form (on back), summation paper and a check for \$25.00 made out to Portland Community College and send to Kitty Boryer at MESD Outdoor School, PO Box 301039, Portland, OR 97294-903.

The one page summation paper (300-500 words) should describe your experience at ODS (for example enjoyable experiences, strengths or weaknesses of the program, growth you or the 6th graders experienced).

Send the registration form, one page summation paper and check for \$25 (made out for PCC) to Kitty Boryer at MESD Outdoor School, PO Box 301039, Portland, OR 97294-9039 **by Nov. 7, 2019** or sooner. You must turn in the form, check and paper on or before this deadline. I cannot receive late registration forms, due to PCC registration policies.

In order to get credit, you must complete a full week of ODS and receive a good evaluation and turn your form, check and paper in by the deadline. This is a Pass/No Pass class and is transferable to most colleges.

NOTE- You may receive this credit only one time during High School. So, if you have already received these PCC credits for Outdoor School in the past, it will not benefit you to register again. You can only register during the session you are a student leader.

If you have any questions or concerns, contact Kitty Boryer at 503-257-1607 or email kboryer@mesd.k12.or.us .
